Abracadabra Oboe, Book with 2CDs - Music JunctionMusic ...

I purchased this book to try to learn to play the oboe and the book looks relatively straightforward but it is designed to be used with a teacher so there is no information about how to put the oboe together or how to blow the reed. There is a glossary of the musical terms at the back but i would have welcomed some playing hints and tips.

The book that my son, who had just started learning, was asked to get by his oboe teacher. It is clearly set out, with graded axercises and introduction of new notes one by one and explanation of notation, so just what is needed for someone new to playing. Quite a lot of familiar tunes, which helps you judge whether he is getting it right!.

ISBN 9781599130002. Abracadabra was composed in the summer of 2004, and was orchestrated the following November during a residency at the MacDowell Colony. The piece is dedicated to my son, and is at once playful and serious, innocent and mischievous. A sense of mystery pervades as the dark key of G minor is balanced by sudden shifts...
