GE radio. Marked on back cover " Model 7-4100JA". I plugged it in and it lights up the dial and gets good reception. It is an AM/FM radio. About 15 X 12 X 9 1/2 inches. It weighs about 7 1/2 pounds. Slick and shiny wood box. All 3 knobs are good. Front grill has cloth background and is good. I do not see any damages or repairs.
