Lay That Jolly System

The LayThatJolly System shows you how to place your bets and how to work out how much you will win. The LayThatJolly System is far easier to use than many other systems that are available, but at the same time it is far more powerful, because it uses selections that have proved day in and day out, that they win.

Having Trouble Making Profit By Laying Horses?

When I first found this system, I tested it extensively, to be sure it worked. And, while I could have kept it to myself, I also knew it could really help out a few other people. This IS the best laying system around! And every single step is explained to you in "Place Lay Formula". Here are a few facts about the ebook and about betting:

Place Lay Formula

In a nutshell, a laying system is a set of rules which can be rigidly followed in order to identify horses which are trading at odds shorter than their true chance of winning. For instance, if horses that align to a set of rules win only once in ten (i.e. 10%), and yet they have an average starting price of 6/1,...
