Principles of Management teaches management principles to tomorrow's business leaders by weaving three threads through every chapter: strategy, entrepreneurship and active leadership. Strategic — All business school teachings have some orientation toward performance and strategy and are concerned with making choices that lead to high performance.

Principles of Management - Open Textbook Library

Principles of Management by Henri Fayol. Henri Fayol is claimed to be the real father of modern management. He was a Frenchman born in 1841 and was working as an engineer with a mining company. He improved the condition of the company from virtual bankruptcy to high success.

Henri Fayol's 14 Principles of Management | Management ...

Management principles are not as rigid as principles of pure science. They deal with human behaviour and, thus, are to be applied creatively given the demands of the situation. Human behaviour is never static and so also technology, which affects business. Hence all the principles have to keep pace with these changes.
