9780801972324 - Silversmithing Jewelry Crafts by Finegold ...

Though not as comprehensive as Silversmithing by Finegold and Seitz, and considering the book has only 157 pages, it does good job in basic instruction on the subjects presented. Where Finegold and Seitz's book fails in the area of shop safety, it is an issue adequately covered in the Manual.

Society of American Silversmiths - Library

No book can equal the education you'll get, in person, from a master artisan. If any book comes close, though, it's this one. Finegold and Seitz have written the best text I know on the topic, and one of the best how-to books I've seen on any subject.
